CERTIFICATE OF ANALYSIS

Product Name: „Test Solution per GMW14445, Type: Sun Protection“
Batch-No.: 240312
Art.-No.: 4867, C21/11422.01
Manufacturer: Dr. Schröder Cosmetics GmbH & Co. KG
Date of Manufacture: 14.03.2024
Quantity: 11,00 Kg
Release: 15.03.2024

General Data:

Customer:

Thierry GmbH, Motorstrasse 30, 70499 Stuttgart, Deutschland

Testing Facility:

Dr. Schröder Cosmetics GmbH, Industriestr. 3, 24598 Boostedt, Deutschland

Project Management:

Dipl.-Chem. Torsten Piehler

Test Period:

14.03.2024 - 15.03.2024

Product Parameters:

1. **Organoleptic**

Colourless to yellowish Liquid with faint aroma

2. **General Product Parameter**

Parameter, analyzed

Purity / macroscopic:

Density: d:20/4

Viscosity 20°C:

Microbiology / Hygicult-Test:

Value, determined

OK

1,0308 g/ml

144 mPas

Due to the product properties, the growth of microorganisms is not to be expected. For this reason, a microbiological test was not carried out.

3. **Galenic Parameter**

Form:

Color:

liquid

colourless to yellowish

4. **Special-Features**

None

5. **Assessment**

With the limits of this test program, this batch does meet the manufacturing instructions.
